## **Permission Slip for Hiking Trip to Ashokan Reservoir**

The Eco Club has planned a hike at the Ashokan Reservoir for the morning of February 23. The trip will begin at **9am** at the Ashokan Reservoir East Parking Lot on BWS Rd off of Route 28A. Access to the site is free. The trail is asphalt, but depending on the weather conditions may be covered in snow so please have proper footwear. Also, the site is elevated and tends to be windy. Please dress appropriately with multiple layers. The hike is short and easy with amazing views. Students need to find their own transportation to the parking area. Parents are welcome and encouraged to come along. The hike should not require more than an 1-1.5 hours to complete.

Permission slips need to be turned in to Mr. Cooper by the end of the school day on Feb. 22.

*Tear on perforation and return bottom portion*

.....

I give permission for my son/daughter to go on the above named field trip. I am aware that all school rules and regulations applicable at school remain in effect during the field trip.
