All choir performances are an integral part of our program. Concerts provide us with the opportunity to display the talents of our students and the progress achieved throughout the year.

Because our groups are performing organizations, concerts serve as a final exam or evaluation for the members. **Attendance is therefore mandatory for all members at all concerts.** Failure to attend concerts or mandatory performances will result in a failing grade for that performance. Please email your child's music teacher if you have any questions. **Mandatory dates are in bold print.**
