

## Citation Websites

The following websites are a really helpful when it comes time to create a Works Cited page or bibliography. They are also useful for footnotes/endnotes.

Just listing websites used is NOT a 'Works Cited' page. Be sure your citation includes the website address, however.

- [www.easybib.com](http://www.easybib.com)
- [www.bibme.com](http://www.bibme.com)
- [www.citationmachine.com](http://www.citationmachine.com)
- [www.citefast.com](http://www.citefast.com)
