

- Hello! My name is Ms. Irvine. I am the Speech Therapist at Saugerties Junior and Senior High School

WELCOME to the speech room.

Your child is receiving either direct or indirect speech therapy services during the school day.

- Speech therapy sessions started this week, September 20<sup>th</sup>. Each student will be given their speech therapy schedule.
- Please ask your child when they have speech, or call me to learn their speech schedule.
- I will be posting quarterly Newsletters on my webpage for information of some work and projects the students are engaging in in speech.
- I seek to make speech a fun learning experience, drawing on curriculum content as much as possible.
- Open house is September 30<sup>th</sup> from 6:30-8:30. I will have a video posted on my website for that evening for your viewing. The video will share information about speech services, and some routine activities and student work.
- If you would like to have a telephone conversation with me during our Open House, please call or email me to set up an appointment.
- Finally, if we need to pivot to remote, your child's speech schedule will remain the same. If you DO NOT want your child to participate in remote speech therapy, please contact me. Otherwise, I will send a Google Meet invite for speech therapy.
